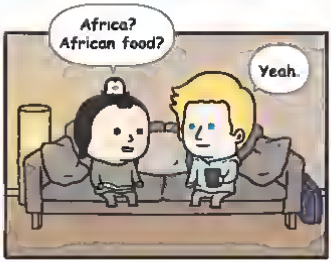
You know that a new restaurant opened where the salad bar used to be
An African restaurant! Do you want to try it?

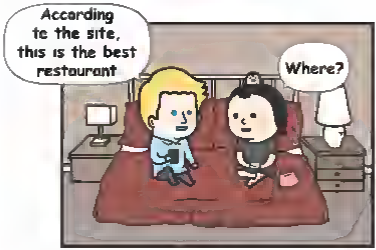


Africa? African food?
Yeah.

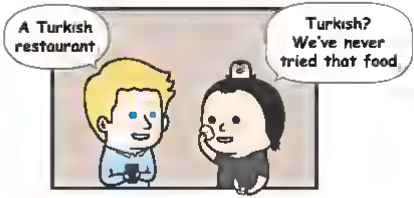
[Recolling the memory...]

Tur... Turkey!

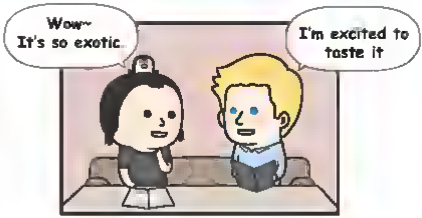
We went on a short trip to Salisbury



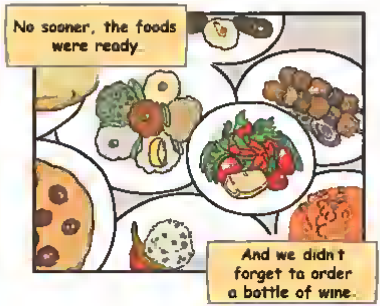
We were looking for
a restaurant to have dinner.



Then we went to eat Turkish food.

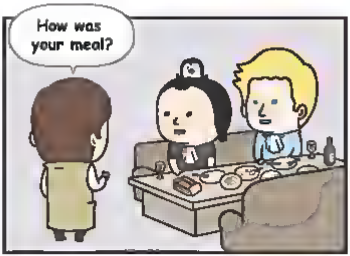


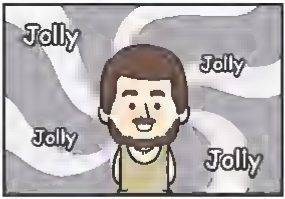
As Turkish food was unfamiliar to us
and we were starving,
we decided to try many small dishes.



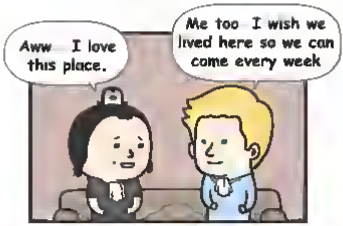
Maybe because
we had too much wine,...

... Turkish food was like
the world's best food to us.

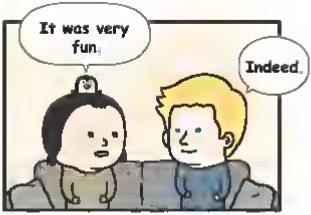




And the restaurant owner was
a very jolly man.



We fell in love with
Turkish food instantly.



About 1 and half months after we got back home from the trip.

We had
two
aeroplane tickets,

accommodation
booked

and
a travel guide,...
